English

Students will be continuing their Daily Review and exploring new sounds and spelling combinations. We will be exploring the class novel *Holes* by Louis Sachar and use the text as a basis to improve and extend writing. In writing, students will be focussing on persuasive texts and how to communicate their points of view.

Health

In Health we will be looking at resilience and managing our emotions. We will complete activities and discussions around the Berry Street Program.

Art and Library Mondays
Indonesian Wednesdays

Mathematics

Students will continue to work on place value to 5 digits, times tables and mental maths strategies, and 2D shapes and symmetry.

Indonesian

The students will revise how to introduce themselves and introduce their friends to each other. They will revise the greetings for the different times of the day. Their knowledge of numbers will go up to 50 and will do simple addition and subtraction.

Sport: Tuesday & Thursday
Cooperative team games

Science

In Science students will understand that all living things have life cycles, describe different life cycles and identify similarities and differences between life cycles.

Religious Education

We will explore:

What is harmony?

What is Prayer?

How do we communicate?

HaSS

Students will explore Australia's history including its first peoples and the arrival of the First Fleet.

Drama

The students will explore the elements of status, narrative, story and form.

This is going to be a fantastic term! Although you may feel apprehensive for the year ahead, we are here to support you all and be a positive space for your child's learning. If you have any questions or concerns don't hesitate to contact us.
